Dear Shri Amitava Ghosh,

I am writing this letter with extreme pleasure and happiness on successfully completing the project " BRUNEI VSAT -P.O. No. TRMS 202000027101". I would like to congratulate all the team members of your organization for their assistance in completing the project on time and with perfection, despite so many challenges like Coronavirus Pandemic that cropped up during this process. Your firm has been assigned a project from the ISTRAC, Bangalore for the first time and you have performed exceedingly well. The project has been completed well before the expected timeline which was awarded to you. The inspection report of the project has elucidated the fact that the project has been completed as per the standards desired by the ISTRAC, Bangalore.

It was an amazing experience for our team members to work with your assistance team. The level of professionalism and dedication that they exhibited while working on the project has helped us reach one step ahead to our mission related requirements.

We hope that the satisfaction for the completion of the work is same on your part. We are looking forward to further work relations between two sides.

With regards,
